

Pharmacy Refrigerator

HLM-320

Scope of Application :

Suitable for the storage of biological products and items that need to be stored at 2° C ~8° C temperature. This product is applicable to pharmacies, epidemic prevention stations, and health centers as key examples.

Innovative Design

- ◎ Green Environmental Protection
- ◎ Digital Display with 0.1 Precision
- ◎ Large Capacity
- ◎ Small Foot Print
- ◎ Ergonomics Design
- ◎ Best in Class Performance

Product Advantages

Green Environmental Protection

The unit is designed and manufactured with a hydrocarbon compressor and hydrocarbon refrigerant resulting in an eco-friendlier refrigeration system

Large Capacity

323L large capacity storage space

Superior Performance

Indoor temperature is precisely controlled between 2°C to 8°C

Ergonomic Design

- Built-in lighting
- Door seals are removable
- Built-in door handle, no need for aftersales maintenance
- 4 adjustable shelves
- Professional and elegant appearance

Product Parts Diagram

Built-in fan for better air flow and superior temperature uniformity

4 adjustable internal shelves

2 Casters and 2 adjustable leveling legs for ease of maneuvering and positioning

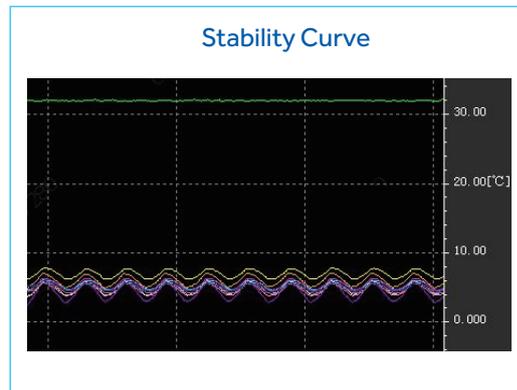

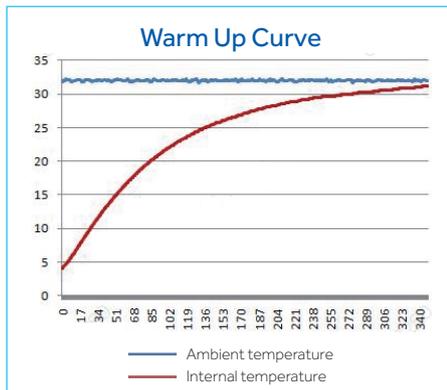

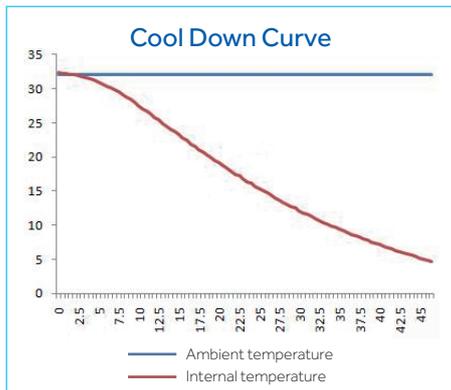

Digital display: Display precision is 0.1

LED lighting

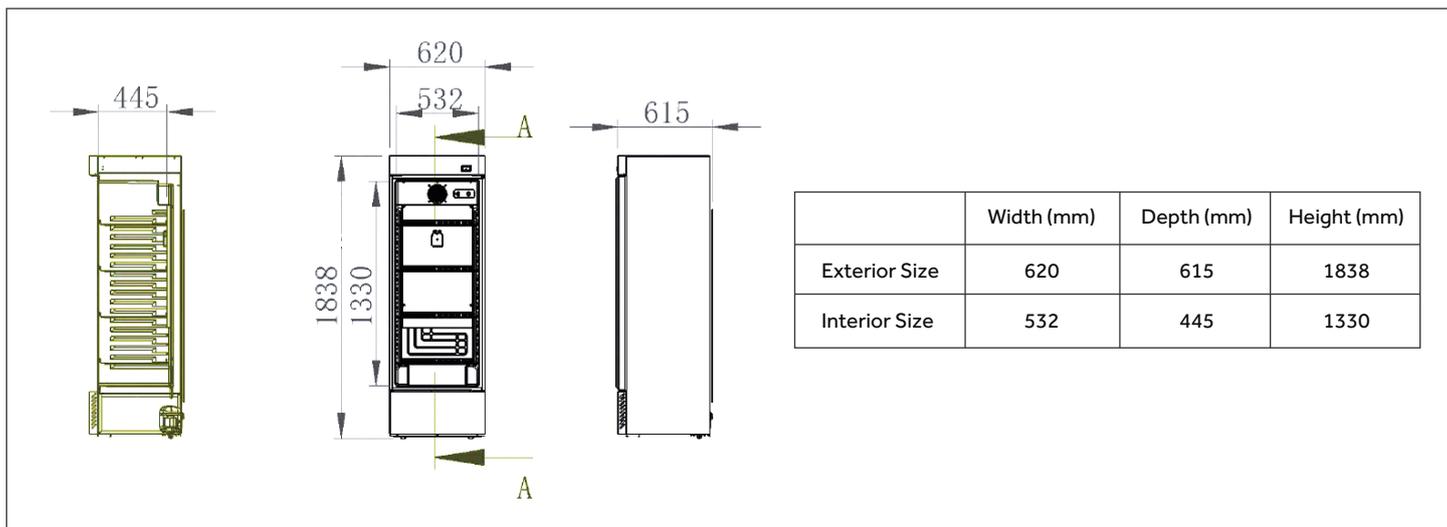

Built-in door handle

Double-layer glass door

Temperature Curve at 32°C Ambient Temperature

Product Dimensions

Technical Parameters

Model	Power Supply (V/Hz)	Power (W)	External Dimensions (W*D*H)(mm)	Internal Dimensions (W*D*H)(mm)	Effective Volume (L)	N.W/G.W (kg)	Shelf
HLM-320	220~240, 50	260	620*615*1838	532*445*1330	323	65/75	4
